**MIAMI-DADE COUNTY, FLORIDA
NOTICE TO PROFESSIONAL CONSULTANTS
MIAMI DADE AVIATION DEPARTMENT
INSPECTION SERVICES AND ENVIRONMENTAL OVERSIGHT
PROJECT NO. E14-MDAD-02**

The County Mayor, Miami-Dade County, pursuant to Chapter 287.055, Florida Statutes, Sections 2-8.1 and 2-10.4 of the Miami-Dade County Code, Implementing Order 3-34, and Administrative Order 3-39, announces that the Miami-Dade Aviation Department (MDAD) will require professional engineering services for inspection services and environmental oversight.

Scope of services will include conducting monthly environmental inspections, oversight and applicable sampling of the following facilities within MDAD Airport properties (Landside and Airside) for compliance with Federal and local regulatory requirements: Underground and aboveground fuel storage tanks at Miami International Airport (MIA), Miami-Opa Locka Airport, Miami Homestead General Aviation Airport, Miami Executive Airport and Dade-Collier Training and Transition Airport; drinking water sampling at MIA; elapsed time meter readings at sewage pump stations at MIA; orphan drum and hazardous inspections at MIA; and, any other inspection/investigation or testing/sampling required will be in compliance so the airport operations are not impacted.

MDAD intends to retain one (1) qualified consultant. The term of each contract is for a six (6) year period. Maximum compensation (inclusive of contingency and the Inspector General Fee) is one million three hundred seventy-eight thousand four hundred thirty-eight dollars (\$1,378,438). No minimum amount of work or compensation will be assured to the retained consultant.
